

**Sunday School is an important part of your child's faith development...**

They will learn of God's amazing love for them while forming friendships with other great kids and adults in the Advent community. We are looking forward to a fun filled year of learning and friendship as we explore the lessons presented in worship through stories, games, music and crafts.

Classes are offered from 3 years old (by 1-1-10) through 5th grade.

Please fill out the form to register your children... and check out the opportunities for you to volunteer too!

## Come be a part of your child's faith journey...

there are many opportunities to serve the children of Advent (and perhaps learn something yourself!)

Please check below the positions that most interest you... we'll be in touch to find you a perfect fit in Sunday School!

\_\_\_\_\_ **Teaching Team:** Teaching teams will work together to present lessons to the children. 2 or 3 of the members will be leaders, who will present the day's lesson to the class. The other will be an assistant, providing an invaluable extra set of hands, and more importantly, a consistent presence for the kids in the class. Assistants will not have to lead lessons. Each team will determine a rotating schedule among themselves. Check a grade level preference below...and remember, you don't have to be in your child's classroom, choose the level you would most enjoy working with!
